So they are not pleading guilty and seeking a full resolution like the bank?

Always uplifting with such encouraging words. Apparently.

If your question is whether we release them from criminal liability with the settlement, the answer is no. They hope their cooperation in the civil track will have a mitigating effect in the criminal, but nothing more.

Høpner also raised the question if the ultimate owners (the US shareholders) also got clarification about their overall conditions in connection with the settlement. He indicated that it will also cover the question of their position in relation to the criminal case. Have you heard anything about that?

Dear Gry

Lack of clarification about LOI blocks the process from going forward, see Høpner. Can you put a little pressure on KA?

There is no need for Morten to attend a meeting, so it is probably only me, since Niels is out. What do you say to Tuesday at 10 AM?

Best regards
Per

Subject: Settlement

Dear Per,

Our settlement negotiations have picked up again and I will likely be going to NYC in week 20 for a final negotiation meeting. There will likely be a need at the negotiation meeting for us to give a nod to the settlement agreement text subject only to final formal approval and signature in Denmark. I think, based on that, is a need for us to meet next week so that we are completely aligned between our authorities with respect to the terms of the agreement.

How does that look for you. Steen and I can both rearrange a bit around Monday, Tuesday and Wednesday afternoon next week?

//Gry (it seems it might have been nice to write 'elements' somewhere in the above. The text kind of calls for it.)

Altid opløftende med sådanne opmuntrende ord. Åbenbart.

Hvis dit spørgsmål går på om vi løser dem fra strafferetligt ansvar med forliget, så er svaret nej. De håber på, at deres velvillighed i det civilretlige spor vil have en afsmittende effekt i det strafferetlige, men intet yderligere.

Høpner rejste i øvrigt spørgsmål om, hvorvidt de ultimative ejere (de amerikanske aktionærer) også fik afklaret deres samlede forhold i forbindelse med forliget. Han antydede, at det også ville omfatte spørgsmålet om deres position i forhold til straffesagen. Har du hørt noget om det?

Kære Gry

Manglende afklaring om LOI blokerer for den videre proces, jf. Høpner. Kan du presse lidt på hos KA?

Morten har ikke behov for at deltage i et møde, så det er sikkert kun mig, da Niels er ude. Hvad siger I til tirsdag kl. 10?

Kære Per,

Vores forligsforhandlinger har taget fart igen, og jeg skal formentlig til NYC i uge 20 til et afsluttende forhandlingsmøde. Der vil formentlig på forhandlingsmødet være behov for, at vi kan nikke til forligsaftaleteksten med forbehold alene for endelig formel godkendelse og underskrift i DK. Jeg tænker,

at der på den baggrund er behov for, at vi mødes i næste uge, således at vi vores myndigheder imellem er helt på linje i forhold til vilkårene i aftalen.

Hvordan ser det ud for jer. Steen og jeg kan begge rokere lidt rundt mandag, tirsdag og onsdag eftermiddag i næste uge?

//Gry (der synes det kunne ha været lirtet at kunne skrive 'elementer' i sted i ovenstående. Teksten kalder ligesom på det.)
